31st District Democrats' Newsletter

(Darcy Burner at the Auburn 4th of July Celebration.)

Darcy Burner is running for Congress in the 8th Congressional District against **Dave Reichert**.

Darcy's statement from her website-

"I believe our federal government should serve the hardworking people of America- people who struggle to pay their bills, to get the healthcare they need, and to send their children to good schools and on to college. Our government should fight for our brave soldiers overseas who have put themselves on the line to serve our country.

(Burner's statement con'd..)

The trouble is the Republicans in Washington, D.C. have frustrated this mission through poor choices and bad management. And they are unable and unwilling to change their failed course.

My opponent is one of them. He said recently that we should just "trust the President," and has voted [93%](#) of the time with the right-wing Republican leadership in Congress."
