

31st Legislative District Democrats

We meet on the fourth Wednesday of each month. Check our website for meeting locations. Our meetings, which begin with a social hour at 6:00pm, give us the opportunity to meet current politicians, and ask them questions (keeping them in tune with our concerns), to meet and form opinions about candidates for political office, and to hear speakers on issues or government policies that impact us in our communities and personal lives. At these meetings we also plan our volunteer efforts to make sure that the right people are elected and the right issues succeed in Olympia.

Please fill out this form and hand it in at a monthly meeting or mail it with your payment to the 31st District Democrats, PO Box 161 Sumner, WA 98390. Please do not mail cash. Annual dues are \$31 per individual, per calendar year (January-December). Reduced dues are available in limited income situations that include, but aren't limited to, veteran, senior and/or student status, with a minimum of \$5 that ensures full rights and privileges.

I hereby declare that I am a Democrat.

I understand that, as an Out of District Member, my dues are \$5 minimum and I have no voting privileges.
